Please note if you are in teaching group JS, MC, CS or DG you are required to choose French as one of your two subjects in block A. If you feel you have a particularly good reason for not doing this please contact Mr Conlon to discuss your choices. You can also use the comments box below.

Please note, it is not possible to study both Art and Graphics you may only take one of these.

Due to lack of numbers some courses may not run. If pupils are not able to take their first choices a senior member of staff will explain why and will discuss the options that are available.

Unfortunately, it is not possible to guarantee every pupil will get all of their first choices.
