Birmingham City Council and partners are working to support and offer guidance to our residents during the cost of living crisis in the UK.

We want to support as many of our residents as possible across key areas which are outlined in this leaflet.

Warm Welcome:

We are working with the local community and a partnership of voluntary and community sector organisations to expand a network of warm spaces. These spaces will be available for people to use and visit during the winter period and beyond.

There are several existing Warm Welcome Spaces within local communities across the city. Warm Welcome Spaces are:

- inclusive and non-judgmental
- heated and free to access

The services at each space will vary but may include:

- information on further support and available guidance
- opportunities to participate in activities and learn new things
- free internet access, computers and charging points
- a friendly environment to connect with others within the community

You can find details of our current Birmingham Warm Welcome Spaces at

There are several schemes already available for residents, with full information and guidance available at

There has been a significant rise in energy scams linked to the cost of living crisis.

There is some helpful support on the Birmingham City Council website to avoid these scams.

Food Support:

The cost of living crisis has made it much more difficult for many people to afford food. If this is something you are experiencing, there are several information points below which can help.

Foodbanks:

We know that accessing a foodbank or other projects for the first time can be daunting. However, the volunteers do their utmost to make visitors feel welcome.

With one visitor saying *"It was just a small personal touch that made you feel welcome and on the occasions where I was on a tiny budget, it also felt like somebody did care that times were tough."*
