Year 11 Easter Revision Programme 2024

Dear Parents/Carers,

As you know, the next few months are vitally important for your child's education and we are keen to support their preparation for their final examinations. We are delighted to offer an Easter revision programme to provide some extra tuition in a number of sessions in the week beginning Monday 25th March (please see the next page for the subjects offered).

The sessions will run during the morning and afternoon. Morning sessions will run from 9.30am to 12.00pm and afternoon sessions from 12.30pm to 3.00pm. The sessions are designed to review the content your child has struggled with over the course of the GCSE as well as re-enforcing the key content included in the GCSE examinations.

I would kindly ask that you and your child have a conversation and complete the MS Forms by following this [link](#) to indicate which sessions they would like to attend. It is important that we have a clear indication of how many pupils are going to attend in advance. Please note that pupils can sign up for any session even though their usual teacher will not be delivering it. The **deadline for registering is 3pm on Wednesday 13th March.** Numbers in each session are limited so it will be on a first come first served basis. Depending upon interest it may mean that some sessions do not run- I will confirm the final details before we break up for the Easter holidays. Please find details of sessions below.

The procedures for the Easter revision programme will be as follows:

- Pupils should sign in on the signing in sheet in reception (a member of SLT will be present). They will then be sent to their relevant revision rooms. It is important that they arrive promptly at the stated time.
- Pupils will not be allowed to leave the site during the lunch break.
- Unfortunately, no canteen facilities will be available on the day. Pupils that stay on-site during lunch should bring a packed lunch and snacks.

If you would like to discuss the Year 11 Easter revision programme, please do not hesitate in contacting me at school. Thank you in advance for encouraging your child to attend and make the most of every opportunity to prepare for their forthcoming examinations.

Yours sincerely

Marti-Kiran Elliott
Assistant Headteacher
