King Edward VI Northfield School for Girls: Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 7-11 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact Mrs S Miles (Careers Adviser)

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with our Careers Advisor or the School Library. The Library is available to all students at lunch and break times.

Safeguarding procedures

All visitors to the school will be asked for enhanced DBS/photo identity badge upon arrival or a safeguarding disclosure letter, if they have this, the policy is, they will be issued with a blue lanyard and will be able to be left unattended around school. This is unlikely to happen and will never happen for long periods of time or with individuals and small groups of pupils.

If visitors do not have an enhanced DBS/photo identity badge then they will be issued with a red lanyard and not be allowed to be left unattended, they will always be accompanied by a member of staff.
