Educational excellence for our City

11th June 2026

Dear Parent / Carer,

I write with a number of brief updates.

1. Race for Life

Thank you for the wonderful support you have already shown for our annual participation in the local Race for Life event. This year, we have a record number of pupils and staff taking part, with over 100 participants signed up. Together, they have raised more than £4,000 so far - an incredible achievement. Over the next few weeks pupils will be issued with their race packs with important information for you to read, along with their race t-shirt. Please keep an eye on announcements on ClassCharts for key messages in the run up to the event.

Our Year 7 pupils are also preparing for their own in-school Race for Life event. We are extremely proud of all our pupils for demonstrating our school values in such a positive and meaningful way. They are showing just what can be achieved when we come together to support an important cause. If you would like to donate to support our Year 7s, or any member of the team, please use the link below.

2. Uniform

We really appreciate the support we have had from families in improving the standard of uniform specifically around correct skirt type and length.

We are aware that quite a number of pupils are wearing trousers which do not meet our [uniform standards](#). Whilst we continue to work with pupils and families on skirts this term, we do not feel it is the right time to rigorously address this with parents / carers so close to the end of the academic year.

Moving forward – in September we will be applying the uniform policy in full, and I highlight this now to ensure that parents / carers are able to make the best decisions possible when buying new trousers over the summer holiday.

Yours faithfully

Neil Jones
Headteacher
