The school reserves the right to make a judgement regarding uniform matters. Any pupil arriving at school without any of the items detailed above will be expected to borrow uniform, including shoes to ensure they meet the standards made clear in the dress code.

Enforcement of the uniform policy: It is the responsibility of parents/carers to ensure that their child comes to school in the correct uniform. If there is a legitimate reason a note should be provided on the day that the issue arises. Failure to have a note from parent/carer will result in a sanction being issued to the pupil. **Please do not phone reception about missing/incorrect uniform as they will not have the capacity to pass this message on to relevant staff.** Form Tutors are expected to check uniform daily and pupils who are not in the correct uniform will be given a negative behaviour point via class charts (if they do not have a note to excuse them). Repeatedly wearing incorrect uniform can lead to pupils being issued sanctions, sent home to change, or being placed in isolation.

Confiscation of property: We will ask your child to remove any item that is not part of the school uniform, and which breaks the school rules immediately. They will be expected to remove it and put it in their bag/locker. If they are found wearing it again will be confiscated, placed in an envelope, labelled and locked away. All confiscated items will be returned at the end of the half term at the end of the school day (and after detentions for those in detention on the last day of the half term)
