GENERAL INFORMATION

Attendance

Good attendance is one of the most important building blocks for a successful school career. It is difficult to progress academically if you do not have continuity of development. At King Edward VI Northfield School for Girls we place great emphasis on regular attendance and pupils are rewarded with certificates and prizes if they achieve attendance targets. We also give rewards for improved attendance. The minimum target attendance for all pupils is at least **95%**. **The school follows advice issued by the Local Authority to support good attendance and does not authorise absence for holiday taken through term time. Please also see 'The Importance of Attendance' leaflet and the 'Attendance Policy' online.**

Absence

If a pupil is absent for any reason, a telephone call to our Attendance Officer on 0121 513 0202 is required on the first day of absence. If pupils need to leave school to attend an appointment then a note should be written in the pupils planner, stating both the time and nature of the appointment and include the official appointment letter. Pupils should always get their Head of Year to sign the note before leaving school. Whenever possible, appointments should be made outside school hours.

Leaving the Site

No pupil must ever leave the premises without permission from the Head, a senior member of staff or Head of Year. When permission has been granted, pupils must be signed out at Reception. Pupils who come late either in the morning or afternoon, **MUST** report to the Reception. Persistent lateness will result in a detention.

Equipment

All pupils should have a school bag large enough to carry books.

Pupils should be equipped with a pencil case, pen, pencil, rubber, sharpener, ruler, protractor, pair of compasses, scientific calculator, school planner, a reading book and PE Kit when necessary.

Lockers

Lockers are available to all pupils. A nominal fee will be charged to replace a lost key.

Rewards and Sanctions

We operate a system of positive encouragement and pupils will be given Class Charts points for effort and achievement. One of the sanctions we operate is a same day detention system which runs every day of the school week from 3.15 - 4.00pm with the addition of a Senior Leadership detention which runs on a Thursday from 3.15 - 4.15pm. Detention notifications will be sent out on the same day via the Class Charts app.

The most common reasons for detentions being issued are:- lack of homework, defiance, disruptive behaviour, rudeness and removal to the Time Out Room during lessons. Pupils are expected to attend detentions at the time set. Whilst we work with parent/carers as far as possible, the school reserves the right to set detentions even where parents/carers disagree with the rationale.

GENERAL INFORMATION cont...

Arbor

Communicating with parents is an important part of what we do, making sure you get the correct information about activities, events and things that really matter is something we care about. King Edward VI Northfield School for Girls use Arbor - an online communication and payment service used by over 6,000 schools.

It is important that you register with Arbor by activating your account when prompted to ensure you receive key information to enable you to pay online for school dinners, trips etc, as we do not accept cash in school. We highly recommend you download the FREE App for the best user experience. To do this, simply search for Arbor in your App store.

Class Charts

Class Charts is an online system which teachers, pupils and parents use to track achievement and behaviour throughout the school day. Class chart will be used to share all positive behaviour, negative behaviour, detentions, pupils'

homework and any rewards / awards they have achieved. We believe in working closely with parents and guardians. One of the key benefits of using Class Charts is that we are able to securely share your child(s) achievements with you and to keep you up to date in real-time. You will be provided with a unique code to set up your own account, your child will also create their own too.

Eating and Drinking

Pupils are encouraged to drink water rather than fizzy drinks and to bring water bottles to school. There are water dispensers situated in the school, where bottles can be refilled. Energy drinks are **NOT** permitted in school as they damage the ability of pupils to concentrate in class, please discourage your child from purchasing these. Please do not bring energy/fizzy drinks or hot food into Reception with the intention of passing these along to your child, as this undermines the school and they will be refused.

Nuts - We have a number of pupils with nut allergies, pupils are not allowed to bring nuts or nut products including items containing nut traces into school.

Free Breakfast

All pupils have access to a free, healthy breakfast bagel every morning during form time. This is to ensure that all pupils have a healthy start to the day and are ready to learn.

Supervision of pupils in the morning

Pupils who arrive between 7.50am and 8.10am will be supervised by a member of staff in the reception area ('the rainbow chairs'). At 8.10am, as more pupils arrive they will be able to sit in the Canteen, Main Hall and Small Canteen supervised by staff.

Pupils who normally access Learning Support before school will still be able to do so.

At 8.40am pupils will head to form.

Lunchtimes

Pupils are expected to remain on site at lunchtimes. A school dinner can be purchased in the canteen or pupils may bring a packed lunch which can be eaten in designated areas.

GENERAL INFORMATION cont...

Extra Curricular Clubs

Over 30 different extra curricular activities run every week after school starting at 3.15pm, including various sports, gardening club, creative writing, dungeons & dragons and language & culture club. Please encourage your child to attend as many of these as possible as there is evidence that pupils who attend clubs have better school attendance, enjoy school more and ultimately, are more successful.

Please see website for our half termly calendar.

Homework/Revision Club

Afterschool Homework/Revision Club - Monday to Friday 3.15pm to 5pm. If pupils wish to attend homework club they need to sign in by 3.30pm. Pupils are **not** allowed to leave the premises then return to the club, they also are **not** allowed to walk around school premises looking for teachers. The club is available on a voluntary basis, giving parents' peace of mind in knowing that their child will have somewhere safe, supervised and social to work on homework. The club is open for all year groups and will run in the Library/Computer Room ensuring that pupils who attend have access to computers.

Valuables and banned items

Large sums of money and valuables should not be brought into school. If they are, they are done at your own risk. We cannot accept any responsibility for these.

The following items should not be brought into school:-

Aerosols and sprays, tippex, chewing and bubble gum, energy drinks, cigarettes and vape pens. Such items will be temporarily confiscated if brought into school. Smoking or vaping on the school premises, to and from school is not allowed.

Mobile Phones

While we understand that some parents may want their children to have a mobile phone for communication after school, pupils are not allowed to use mobile phones during the school day and should be switched off and out of sight by 8.45am. School will not take any responsibility for lost or damaged phones. If seen using a mobile phone, the phone will be confiscated until the end of the day and the pupil will receive a detention. Should two confiscations be recorded in any half term parents/carers will be called to collect the phone from school. Please see the Mobile Phone and Head Phone Policy for further information.

Medication

The school can only accept and administer medicines that have been prescribed by a doctor, dentist, nurse practitioner or pharmacist prescriber. The medicines should always be provided in their original container which details the name of the child and the dosage requirements. The parent is responsible for delivering the medication to school where a Medicines 1 form will need to be completed. At the end of the medication period, the parent is responsible for the collection from school any unused medicines. Any uncollected medicines will be disposed of appropriately.

DRESS CODE AND UNIFORM EXPECTATIONS

All pupils are required to wear school uniform. We feel high standards of dress are important.

We strongly advise that all clothing and property should be clearly marked with your child's name.

*School Logo Branded Items

The school reserves the right to make a judgement with regard to uniform matters. Any pupil arriving at school without any of the items detailed above will be expected to borrow uniform, including shoes to ensure they meet the standards made clear in the dress code.

Enforcement of the uniform policy: It is the responsibility of parents/carers to ensure that their child comes to school in the correct uniform. If there is a legitimate reason a note should be provided on the day that the issue arises. Failure to have a note from parent/carer will result in a sanction being issued to the pupil. **Please do not phone reception about missing/incorrect uniform as they will not have the capacity to pass this message on to relevant staff.** Form Tutors are expected to check uniform daily and pupils who are not in the correct uniform will be given a negative behaviour point via class charts (if they do not have a note to excuse them). Repeatedly wearing incorrect uniform can lead to pupils being issued sanctions, sent home to change, or being placed in isolation.

Confiscation of property: We will ask your child to remove any item that is not part of the school uniform and which breaks the school rules immediately. They will be expected to remove it and put it in their bag/locker. If they are found wearing it again it will be confiscated, placed in an envelope, labelled and locked away. All confiscated items will be returned at the end of the half term at the end of the school day (and after detentions for those in detention on the last day of the half term).
